

ABOUT ST. PAUL'S

St. Paul's College is governed by the College Council, a body incorporated under a special ordinance of the Hong Kong Government. Guided by the enduring values of our motto, the College remains forward-looking — committed to equipping students with the skills and mindset to thrive in an ever-evolving society.

Founded in 1851 by the Anglican Church, St. Paul's College is one of the world's oldest Anglo-Chinese schools. The mission of the College as stated in the Ordinance is: "the offering to Chinese youths of a modern, liberal education founded upon Christian principles, Protestant and Evangelical, as professed by the Sheng Kung Hui".

With nearly 175 years of heritage, St. Paul's College continues its enduring mission to nurture the whole-person development of every student. Grounded in Christian principles, we empower young men to realise their potential, pursue their aspirations with purpose, and lead and serve others with compassion and integrity — contributing to a more inclusive and better world.
