Information Day for Secondary One 2025/2026

15 October, 2025

Dear Parents,

Invitation to School Information Day of Hong Kong True Light College

Hong Kong True Light College, a subsidized Christian girls' school, has been dedicated to whole-person education for half a century. Since relocating to the Southern District in 1995, the school has continued to cultivate all-round Christian values for girls in a supportive environment, guiding them to become the 'Light of the World'. We have been striving for growth and excellence, developing biliteracy and promoting value education at our school. With notable enhancement at 2025 HKDSE, our school strives to build on True Light's long-standing tradition, and inspire our next generations of young women to pursue knowledge and develop their unique talents.

We are most enthusiastic to enroll teenage girls with potential to join our community and to provide them with quality Christian education that benefits their growth and development. The 2026/2027 Secondary One admission process will commence in early January 2026. We are delighted to invite prospective students and parents to our annual School Information Day, where you can obtain the most up-to-date admission details and have your enquiries answered. Details of the School Information Day are as follows:

Date: 29th November, 2025 (Saturday)

Time: 9:30 am to 1:30 p.m.

We look forward to welcoming you and your daughter on our School Information Day. For further details or online registration, please visit our school website <http://www.hktlc.edu.hk> or scan the QR code.
